

DIGITAL CITIZENSHIP
... IT IS THE KEY TO POLISHED AND POWERFUL PROJECTS !

KID TALKS

Kid talks at the VSTE Conference is an exciting opportunity for VA students to share their ideas, passions, and projects about technology in learning. Students will have an opportunity to participate in a kid talk panel, share their learning during a poster session and explore new and innovate technology with vendors.

For more information please visit the VSTE Conference website - <https://vsteconference.org>. To submit a proposal for Kid Talks please choose **Kid Talks** as the *Session Format* on the proposal form located on the conference site.

12/7/25 12 - 4 PM

Virginia Beach Convention Center
1000 19th St. Virginia Beach, VA 23451

KID TALKS

Show off your creativity, curiosity, and imagination by creating a poster, presentation, or demo! You'll get to talk about your project and share what makes it awesome with other students and attendees. Let everyone see your passion and the cool technology that excites you!

- Max 3 students per group
- 1 parent per student
- 1 teacher per group

Students, parents and teachers will receive lunch, a conference badge and a swag bag from our vendors. The day will consist of a panel discussion on stage, poster conversations and/or demos and a vendor-hall experience. Visit <https://vsteconference.org> for more information.
